

**Join your colleagues for a night of fun under the Vancouver stars!
Or the next best thing: Camp ASHG.**

Wednesday, October 19, 6:30-8:30 pm

Exhibit Hall, VCC East Building

Camp ASHG invites you to take the night off and let your inner child run free (and network)! Participate in fun activities like life-sized nostalgia games; make native-inspired jewelry; take photos with your friends in the Canadian wilderness and kiss a moose; listen to our musical, roaming lumberjack; eat s'mores; get a caricature as a souvenir; and enjoy a camp-inspired evening to rejuvenate!

Attendees and exhibitors will be welcomed into an outdoor-themed room complete with trees, fire pits, Adirondack chairs, and picnic tables. There will be several activities for attendees to participate in or simply watch and enjoy:

- Connect Four, Jenga, Twister, and Checkers with fun facilitators to encourage participation
- Hamster ball races
- Photos with friends with multiple green screens (branded with ASHG 2016)
- Native-inspired jewelrymaking
- A musical lumberjack singer/guitarist
- Reception-style food like sliders, skewers, and s'mores
- Cash bar (sponsors can purchase drink tickets!)
- Souvenir caricatures
- Finding a match and winning prizes
