Virtual Booth Space Reservation Terms & Conditions

Companies will be placed in halls alphabetically, as this is the best and most accessible way for attendees to find your booth. Currently, the halls are laying out as:

<table>
<thead>
<tr>
<th>1-BC</th>
<th>BE-CON</th>
<th>COP-E</th>
<th>F-J</th>
<th>K-OP</th>
<th>OX-SO</th>
<th>ST-Z</th>
</tr>
</thead>
</table>

Once in each specific hall, the first booths to appear will be by sponsorship level. The higher the level, the more prominent the position, beginning with Platinum and followed by Gold, Silver, Bronze, Exhibitor. They will be placed alphabetically.

To view the pricing, availability, and description of all available sponsorship tiers, please see the table below. Please note that while “Exhibitor” and “Bronze” level sponsorship does not currently have a space limit, ASHG may at any time impose one to ensure the Exhibit Hall best serves our members.

No refunds for space reserved will be made for written notices received after Friday, August 28, 2020.

ELIGIBILITY TO EXHIBIT
The purpose of the American Society of Human Genetics (ASHG) exhibit program is to further the education of individuals working in the field of human genetics. Therefore, the exhibits must be of an educational character or practical application that emphasize instruments, products, or services for use in teaching, research, treatment, or diagnosis, and books or other publications in scientific fields of relevance to the interest of registrants, or that directly convey scientific research findings in those areas of science represented by ASHG. License will not be granted for exhibits that principally express a point of view. ASHG reserves the right to accept or reject at its sole discretion any application to exhibit and to determine the eligibility of any proposed exhibit.
ASHG reserves the right, without refund, to refuse to allow the exposition of any exhibit on the virtual meeting platform that does not in good faith substantially conform to the company description submitted for publication or which contains unrelated material(s).

The character of exhibits is subject to the approval of ASHG Exhibits Management. Exhibits Management reserves the right to refuse applications of concerns not meeting standards required or expected. ASHG Management also reserves the right to close exhibits or parts of exhibits that reflect unfavorably on the character of the meeting. This applies to displays, literature, advertising novelties, conduct of persons, etc.

MERGERS
In the event that an exhibiting company merges with, is acquired by, or purchases another exhibiting company, the seniority accumulated by either company (whichever is higher) will be used. ASHG must be notified in writing of such changes, including a public announcement of the transaction.

SUBLETTING OF EXHIBIT PACKAGES/Sponsorship
Subletting or sharing of contracted virtual exhibit space or sponsorship is not allowed at any time. All signs, advertisements, publications, materials, products, and company representatives’ registrations must reflect the name of the contracted exhibiting company. Any violation of these regulations may result in an immediate removal of the booth and materials in violation.
REGISTRATION AND EVENTS

EXHIBITOR REGISTRATION

It is the responsibility of the authorized individual signing the application for space to inform all company personnel of the rules and regulations contained in this prospectus.

COMPLIMENTARY SCIENTIFIC REGISTRATION ALLOTMENT

Each sponsorship level includes a number of complimentary scientific registrations, which differ from booth staff registrations. Additional scientific registrations can be purchased at the appropriate member-level. Make sure you register prior to September 15, the deadline for the early-bird discount.

4 | Virtual Meeting 2020 Rules & Regulations
### ASHG Code of Conduct for Virtual Annual Meeting Participants

ASHG introduced a comprehensive Code of Conduct in 2018 that applies to all meeting stakeholders and covers all events associated with the Annual Meeting. The American Society of Human Genetics is committed to fostering a welcoming environment that is safe, collaborative, and productive for supporting dialogue and discovery for all attendees at ASHG-sponsored events and values the participation of all attendees and participants in its events. All who register to participate, attend, speak at, or exhibit at an ASHG event agree to comply with this Policy.

ASHG expects that all attendees, media, speakers, organizers, staff, and exhibitors associated with any official ASHG-sponsored event will adhere to the following principles:

- Respect common-sense rules for public behavior, personal interaction, courtesy, and respect for private property.
- Be considerate and respectful of differing perspectives during the meeting.
- Respect the rules and policies of the Society, the meeting venue, hotels, and city.

ASHG also prohibits any form of harassment, sexual or otherwise. Accordingly, some behaviors are specifically prohibited, whether directed at other attendees, ASHG staff, speakers, exhibitors, or event venue staff:

- Intimidation, stalking, harassment, inappropriate physical contact, unwelcome sexual attention, or discrimination towards fellow attendees, Society staff, and others.
- Abusive, harassing, or threatening behavior towards any other attendee, volunteer, or staff. This behavior will not be tolerated and may result in expulsion from the event.
- Yelling at, threatening, or personally insulting participants or presenters (verbally or physically).

Participants asked to stop engaging in hostile or harassing behavior are expected to comply immediately.
The conduct rules apply to all ASHG venues, including official ASHG-sponsored events and related ASHG-sponsored social events, as well as the annual meeting and Society online presence (i.e., ASHG Society and meeting hashtags, Facebook pages, and other social media). All participants are expected to treat others with respect and consideration, follow online venue rules, and alert staff or security of any dangerous situations, violations of this Conduct Policy, or of anyone in distress.

For how to report and other procedures, see full text at https://www.ashg.org/2020meeting/pages/policies.shtml.

**General Conduct of Exhibitors**
Exhibiting companies are required to staff their exhibit booths with at least one (1) employee at all times while the Virtual Meeting is officially open. Exhibitors and their agents and representatives are expected to act in a professional manner. Any disruptions or unacceptable conduct may result in loss of priority points or ejection from the Virtual Annual Meeting with no refund of space rental fees.

The following practices are prohibited at the ASHG Virtual Annual Meeting:

- Exhibitors may not harass or disrupt another exhibitors' session and/or booth chats.
- Entry into another exhibitor’s booth without their express permission.
- Screenshots of exhibit booths and sessions are not allowed.
- Using information gathered by lead retrieval for anything other than business contact.

**Giveaways, Raffles, and Drawings**
Giveaways, prize contests, raffles, lotteries, drawings, and games of chance are permitted during exhibit hours. All drawings must be approved by Exhibits Management. A list of exhibitors offering prizes or giveaways will be posted for attendees to view in the exhibitor resource center. Prizes must be educational in nature or must be appropriate for use in the attendees' place of work, the meeting, or travel. See "Industry Regulations and Guidelines" to ensure compliance for any outside agencies.

All requests must be submitted via the Booth Promotion Form to ASHG Exhibit Management for approval by September 18, 2020. Any exhibitor found conducting prize contests, giveaway contests, raffles, lotteries, drawings, and/or games of chance that have not been approved by Exhibits Management will be required to cease immediately.

**Interaction with Attendees via IntraD Platform**
Exhibitors and their employees are expected to conduct themselves in a respectful and professional manner at all times. Exhibitors shall not interrupt other exhibiting companies' presentations, sessions, chat windows, etc. If an attendee declines your companies advances, exhibitor will not harass them further.

**Enforcement of Rules**
By applying for exhibit space, EXHIBITOR agrees to adhere to all conditions and regulations outlined in this Exhibitor Prospectus on the ASHG website. Exhibits Management will monitor conformity with these rules and regulations for the ASHG Meeting. Each exhibitor is granted a terminable license to exhibit, subject to all the rules herein and the general control of ASHG Exhibits Management. If ASHG Exhibits Management determines that any exhibitor has failed to comply with any rules herein or any directive issued to the exhibitor by Exhibits Management, the license may be terminated and the exhibit closed without notice.

ASHG shall have full authority to interpret or amend these rules and its decision is final. Exhibitors agree to abide by rules and regulations that hereafter may be adopted, which shall be as much a part as though originally incorporated. All issues not addressed herein are subject to the decision of ASHG.

These rules and regulations have been formulated in the best interest of the exhibitors and ASHG. The exhibitor understands and agrees that the information contained in the Exhibit Prospectus and the ASHG Rules and Regulations are an integral and binding part of the Exhibit Space Contract, and that providing a digital signature on the online Exhibit Space Application/Contract indicates understanding and agreement to comply with all policies, rules, regulations, terms and conditions in the prospectus, and any others issued by ASHG regarding the ASHG Annual Meeting; willingness to abide by the payment policy; acknowledgment of reading ASHG Rules and Regulations; and agreement to distribute them for proper execution to those individuals involved with your company’s exhibit.

**INTERPRETATION AND AMENDMENT**

Exhibits Management shall have full power to interpret or amend these rules and its decision is final. The exhibitor agrees to abide by any rules or regulations that may hereafter be adopted by Exhibits Management. Exhibits Management promises its full cooperation for a successful show and will be pleased to work with the exhibitors toward this end.

**USE OF ASHG NAME AND LOGO**

The use of ASHG 2020, the 70th Annual Meeting of the American Society of Human Genetics (ASHG) name, and logo may be requested for use by exhibitors for mailers or other meeting-related literature. Please note that use of the logo does not imply endorsement of your company, publication, event, etc. The Annual Meeting logo can be used in exhibitor’s promotional material by requesting permission from Carrie Morin, cmorin@ashg.org. Please be prepared to share a sample of the material for which you are requesting the logo.

**NON-exhibiting Companies**

Companies that are not contracted to exhibit and their personnel, agents, and contractors will not be permitted in the Exhibit Hall at any time for the purpose of “suitcasing” either exhibitors or attendees. Non-exhibiting companies and their representatives will not be allowed to display
or demonstrate any services or products in the online platform including sessions, chat lounges, etc.

Non-exhibitors may not solicit business from scientific registrants or contracted exhibiting companies, nor will their materials be accepted for distribution virtually.

ATTIRE
Representatives, models, employees, contractors, and agents of exhibitors must be attired in an appropriate business or business casual fashion to maintain the professional atmosphere of the meeting. If speaking during a live session, please remember to turn off your camera should you need to step away.
