

## Official Show Breaks

Please find below the event schedule for ASHG 2020 Virtual Annual Meeting. As an additional resource you can find this year's schedule posted to our website for quick access: <https://www.ashg.org/meetings/2020meeting/sessions/virtual-preliminary-schedule/>

We are asking all exhibitors to have their booth spaces staffed with at least 1 person between the hours of 10:30am - 5:30pm (Eastern Time) Monday through Friday. Please pay special attention to breaks, which are marked in gold boxes, as there are likely to be a higher number of attendees visiting the virtual exhibit hall at these time and you may need additional staff manning the booth.

**For International exhibitors** that do not have a U.S. based Sales Team, we understand it may be difficult to accommodate the Eastern Time Zone and we ask that you do the best you can. We also recommend if this applies to your company, to consider adding in a special tab to your booth space that allows an attendee to leave a message for your team. This tab could be called "Sorry We Missed You".
